STIPULATION

Pursuant to Rule 41 of the Federal Rules of Civil Procedure, Plaintiff Alphonso Dixon and Defendant Inter-Con Security Systems, Inc. (collectively, the “Parties”), by their undersigned counsel of record, hereby stipulate and agree that this action be conditionally discontinued without prejudice and without costs; provided, however, that on or before August 31, 2020, the Parties may submit to the Court their own Stipulation and Order of Dismissal with Prejudice for the Court to So Order. Otherwise, within such time Plaintiff may apply by letter for restoration of the action to the active calendar of this Court in the event that the Parties’ settlement of this action is not consummated. Upon such application, the Parties shall continue to be subject to the Court’s jurisdiction, the Court shall promptly reinstate the action to its active docket, and the Parties shall be directed to appear before the Court, without the necessity of additional process, to schedule remaining pretrial proceedings and/or dispositive motions, as appropriate. This Order shall be deemed a final discontinuance of the action with prejudice in the event that Plaintiff has not requested restoration of the case to the active calendar on or before August 31, 2020.
